October 24, 2011

Dear _____:

The 6th season of the Cohoes Community Center's School Age Child Care Basketball Enhancement program is approaching fast! Each year with donations from various community members and businesses the School Age Care children are given the opportunity to participate in special programs that keep them active and enable them to tap into their special interests and talents.

Last basketball season we split the children into groups according to age and both groups began the session with developing their skills. On the last day the older children had a full court 5 on 5 basketball showdown, complete with trophies and referees.

The other group performed the "School Age Spectacular Skills" show, a routine where the children work as a team to show off their dribbling, passing and shooting skills. The children ran and dribbled and threw shots to a range of music from ZZ-top to the Black Eyed Peas.

We are asking for donations to assure that all of the Cohoes School Age Care families who choose to participate in the Basketball Enhancement program will have the opportunity regardless of financial capabilities. 100% of your donation will be applied to the needs of the children involved in the Basketball Enhancement Program. Your donation will provide two months of basketball instruction, a team jersey for each child that you sponsor and will also cover transportation and guest speaker fees. A donation form is included for your convenience.

We would like to thank you for your time and understanding of the growing needs of Cohoes youth. We would greatly appreciate any donation to our program. If you have any questions or comments please feel free to contact me at 237-7523.

Sincerely,

Crystal Bariteau
School Age Coordinator
